Dear Friends, spring has sprung and summer has come... It's time to spark the BBQ and enjoy some beautiful weather!!!

As your Member of Parliament for Saskatoon West, I have just wrapped up a six-month stint of back and forth commuting between Saskatoon and Ottawa on a weekly basis. It has been an interesting ride.

I was in Ottawa during the COVID mandate protests, and experienced what is known around Parliament Hill as the "silly season." This is when the government – the NDP-Liberal coalition – tries to ram its legislation down the throat of the House of Commons with little or no opportunity for parliamentary debate or oversight.

The end result is bad laws being passed, such as the two internet censorship bills, C-11 and C-18. Also there are two so-called crime bills – C-5 which removes prison sentences for criminals and gives them house arrest, and C-21 firearms bill which does nothing to target illegal gun-smuggling at the border.

I spoke to many of these topics both inside and outside of the House of Commons. I encourage you to check out my social media channels, and sign up for my email updates by scanning the QR code below. You can watch my speeches, my questions, and my committee work, and judge for yourself my work as your Member of Parliament.

I further invite you to respond to my survey card attached—no postage required! I read each response personally and value the feedback that constituents share with me. If you need my help on any federal issue, please contact my office at (306) 975-6555 or email: brad.redekopp@parl.gc.ca. Thank you again for entrusting me with the honour and privilege to represent you in our Parliament.

Sincerely,

Brad Redekopp, MP

GROWING SASKATOON'S ECONOMY

I've had many constituents ask me about my work as Deputy Shadow Minister for Immigration and the work I do with immigrants.

Why do I focus on newcomers to Canada? The answer is simple: Canada needs newcomers to grow our economy!

According to Statistics Canada, our country's fertility rate is a dismal 1.42 live births per adult—which means we will soon have more retired baby boomers than taxpaying workers.

To counter this, the Conservative Party of Canada embraces immigration and new immigrants to fill jobs and grow our economy.

I recently introduced a Private Members Bill in the House of Commons, which will allow a smoother process for the recognition of foreign credentials.

This will ensure that whatever profession a newcomer is immigrating to Canada for – be it a nurse, doctor, meat-cutter, airplane mechanic or boilermaker – there will be less red tape to get them a job in their chosen field of work.

FOLD AND TAPE SHUT TO RETURN, NO ENVELOPE OR STAMP NEEDED.
